

# Motueka 2030: A stronger future together

Vision Motueka is looking for ways to ensure a stronger future for the Motueka area over the next few decades and beyond. This survey aims to help discover what the community would like to see happen to make the Motueka ward one of the best places to live and work.

Here are some ideas in no particular order. Use ticks or crosses to **rank them from 0 to 5** where:

**0** = you are not interested in this, or you're even against it,

**5** = you think it's a great idea that should be followed up as a major priority.

Finally, in the far right column select from the 45 questions your **5 highest priority items**, and give them an extra tick for a **bonus point**. (If you select more than 5, only the first 5 will be counted.)

Possibilities	0	1	2	3	4	5	Bonus
01. Build a new, larger library (or expand/modernise the existing one)							
02. Create a more extensive network of walking/bike paths							
03. Provide a youth-focused workplace training centre							
04. Provide public transport services to Nelson and Kaiteriteri							
05. Motueka is fine as it is, so no big changes needed							
06. Plant more trees on reserve land that have edible fruits, nuts etc							
07. Move the wastewater (sewage) plant to higher ground							
08. Promote Motueka for winter holidaying							
09. More extensive tree plantings generally around Motueka streets							
10. Upgrade the salt water pool							
11. Restore the historic wharf on Motueka Quay as a tourist attraction							
12. Create a picnic area north of the Motueka River bridge							
13. Improve and extend the recreational park areas around town							
14. A community centre (hub) offering a range of facilities in one place							
15. Encourage more Maori cultural features in the town							
16. Make Motueka a model town for eco-friendly neighbourhoods							
17. A tertiary educational facility for local primary industries							
18. Develop and use Te Awhina Marae for more tourist attractions							
19. Build a covered aquatic centre (swimming pool)							
20. Further develop the marina and boating industrial area near Talley's							
21. Create added-value businesses around existing primary industries							
22. Be more self-sufficient with power, sewage, food, water collection							
23. Improved flood protection (including the river stop banks)							

24. Create a technology and business hub for start-up businesses							
25. Improve the quality and usefulness of Thorp's Bush							
26. Develop a major, unique visitor attraction that Motueka is known for							
27. Broaden and develop local craft industries							
28. Restore/upgrade the Riwaka wharf linked to a coastal walkway							
29. Plant an avenue of trees along the length of High Street							
30. Encourage time banks, barter system, non-dollar currencies							
31. Organise one or two large 'signature events' repeated each year							
32. Fix environmental risks before promoting more tourism and industry							
33. Increase the targeted rate to \$1/week to run only Motueka projects							
34. The community organise more activities in town for youth							
35. Install traffic lights at the High St - Pah St / Greenwood St intersection							
36. Develop a shopping mall, including retail chains							
37. Encourage all new housing to be self-sufficient in power, water							
38. Make Motueka known as a great area to retire comfortably to							
39. Commission large public art works - murals, sculptures etc							
40. Attract a large retail chain like Smith City to Motueka							
41. More extensive visitor promotions and marketing							
42. More development in Riwaka, Lower Moutere, Tasman, Ngatimoti							
43. Install high-speed broadband throughout the town and surrounds							
44. Expand and add more community gardens							
45. Encourage pakeha and Maori to work together on common projects
